Sept 15

Dear Watson,

May I ask
you to forward to me
here a book and a
small package coming
to Cambridge from N.Y.
Probably the book package
will have the address, on
the outside, of a publ.
firm, while the other

will have the name
of a firm of phar-
macentists.

Caroline is gaining
fast up here, and we
are all pretty well.

Mrs Goodall joins with
me in sending kindest
regards to you and
your sister and your
niece.

Yours faithfully

J. H. Goodall
